<p>Remember to start in the correct place and move in the correct direction. Trace your finger over the letters then with a big straight arm write them in the air.</p>	<p>Curly Caterpillar Letters</p> 

Now try writing your letters on the next page going over the yellow letters to help you.

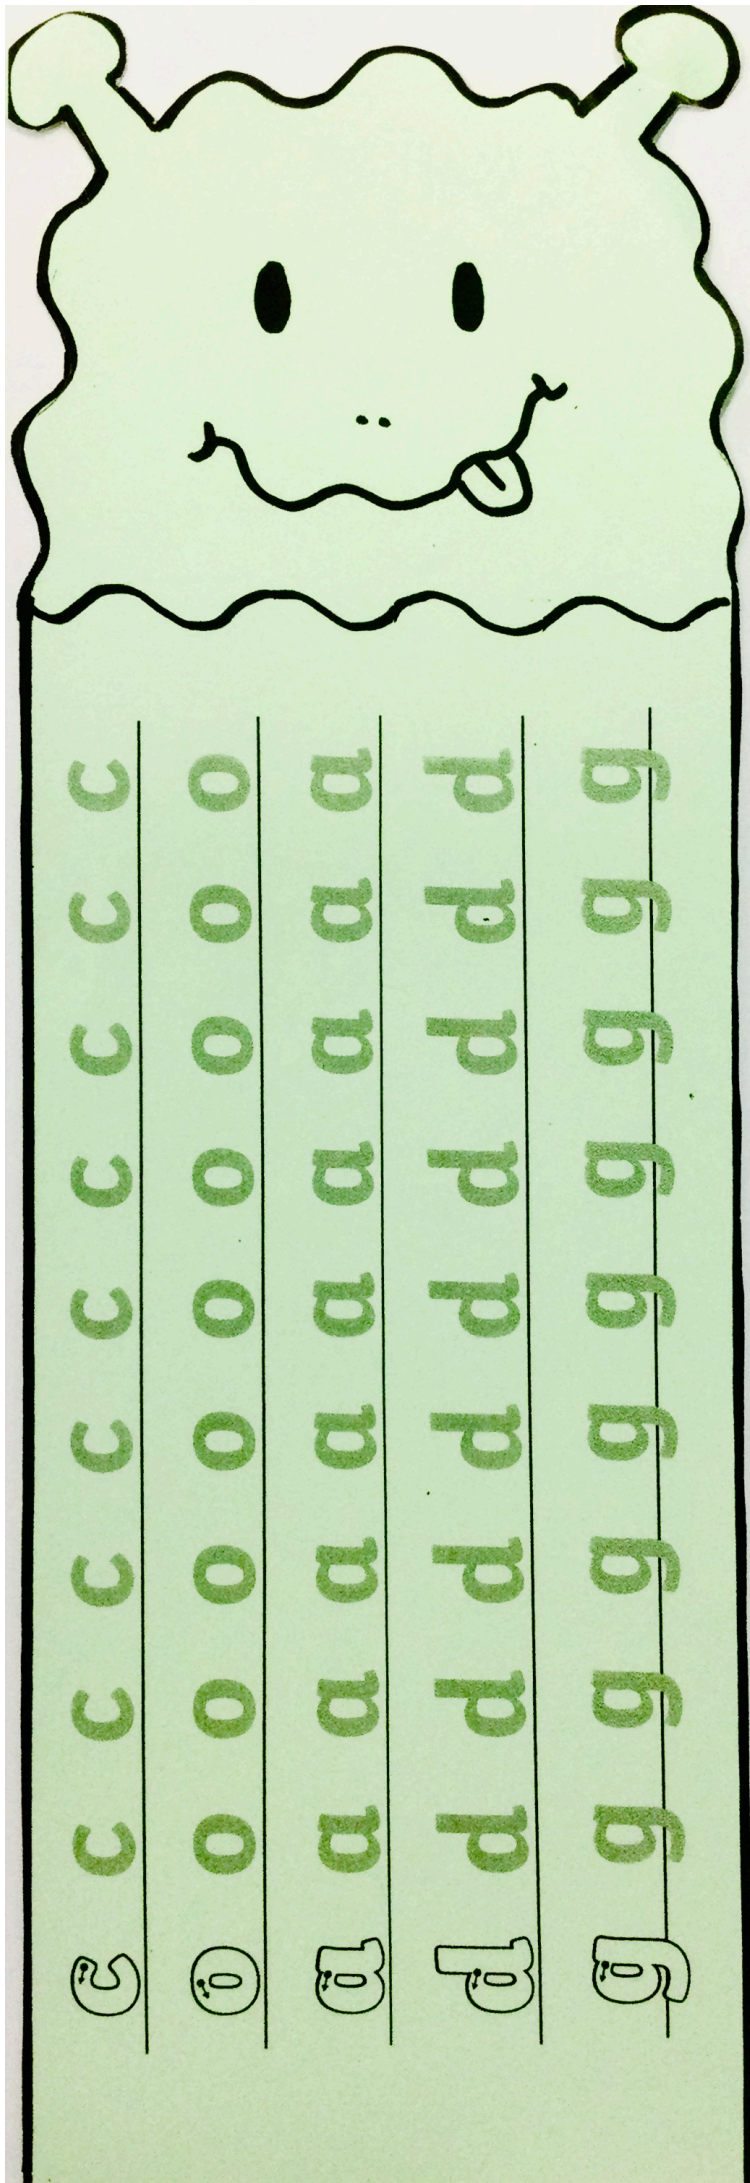

# Curly Caterpillar Letter Formation

Now you are ready to make the curly caterpillar on the next page.

Use lots of colours and curl him around to look like mine. I put some staples in to hold him. You can use glue or tape if you like.
